

TarHeel Tigers
Pontiac Club
RALEIGH, NORTH CAROLINA

Dear Sir or Madam,

The **Tarheel Tigers Pontiac Club** is a non-profit car club founded in 1994 in Raleigh, North Carolina and is dedicated to the enjoyment and preservation of all automotive hobbies, in particular Pontiacs.

We are hosting our **18th Annual Car Show** at MacGregor Village in Cary, North Carolina on **Saturday June 2th, 2018**. This is a B.O.P.C. (Buick Oldsmobile Pontiac Cadillac) show for cars 1900-2009 and we anticipate between 100 and 150 cars to participate. We expect the show to be another big success with sponsorship from **Hendrick Buick GMC Cadillac** of Cary and **MacGregor Draft House** and would like to include your organization in this event.

We are in need of door and raffle prizes for this show and any small or large items that you are able to donate will be greatly appreciated. Examples of past donations have included tools, detail kits, cleaning supplies, micro fiber towels, die-cast cars, electronics, automotive related merchandise, such as a set of 4 tires donated by Atlantic Tires, Cary in past years. Gift certificates, customer discounts and coupons all seems to be well received by participants. Our donors will be acknowledged during the show and will be recognized for their donations on our website which now receives over 800 hits per month. Also, available on our web page is advertising space, if interested contact. **tarheeltigersnc@gmail.com**

Our car shows are not just club fundraisers. Since our first car show in September 2001 we have donated over \$10,500 to many charities such as Juvenile Diabetes Foundation, American Cancer Society, Salvation Army, Victory Junction Foundation, Wounded Warriors, Wheels for Hope, and more. Your company participation will be greatly appreciated by many, and hopefully this will become a partnership that we can build on for many years to come.

Should you have questions or need additional information regarding our event please contact me, Jerry at jjvic3@gmail.com and send any donations to address below.

Sincerely,

Jerry Hazi
Car Show Coordinator
